RE: M&L Properties

Dear Mr. Rabb,

I would like to take this opportunity to express my appreciation to Mr. Cameron Ricci and your staff for the handling of our claim and bringing it to a resolution. As you know, the moment of truth does occur when you have a claim and you want immediate resolution, someone to negotiate with the Insurance Company and to finalize a positive outcome.

Our experience with your staff was very positive. Cameron was efficient, professional, and very responsive. The entire process was almost seamless and having your support and expertise was reassuring. I would also like to stress the fact that without Basloe, Levin & Cuccaro, LTD./Adjusters International. I would probably have settled for a quarter of the amount that was obtained for us by your firm.

I would without reserve highly recommend your firm to all my business associates and friends, regardless of the size of there claim.

Sincerely,

Michael Scarafile
President/CFO
